RE: Corporate Sponsorship Opportunities Supporting The Oceans of Hope Foundation's 2019 Surf Series

Dear Prospective Sponsor:

The *Oceans of Hope Foundation* is gearing up for its **2019 surf season**. You are invited to join the line-up of other special corporations and private donors supporting the **2019 Oceans of Hope Surf Series**. Through your support of the Foundation you or your firm will be provided unique sponsorship and marketing opportunities while *touching hearts and changing lives*.

Oceans of Hope Foundation, Inc. is a non-profit organization providing adaptive ocean sport opportunities to individuals with limited mobility. The Foundation's mission is to broaden the horizons of outdoor recreation for those challenged in life. By doing so, the Foundation provides empowering ocean experiences that give hope to individuals and loved ones living with mobility challenges.

The Foundation is an *IRS 501(c)(3) non-profit* organization based in New Smyrna Beach and operated entirely by unpaid, compassionate volunteers. Your *tax-deductible* contribution/sponsorship will go to providing the Foundation with adaptive sports equipment, volunteer training and off setting the costs of hosting the scheduled surf events.

The Foundation is preparing for **three (3) surf events in 2019**, the first being the *Spring Fling* on **May 18th**. The **Seaside Fiesta** event is scheduled for **June 16th** and the third event is scheduled for **July 13th**. Details of the **2019 Surf Series** schedule will be available on the Foundation's website and Facebook.

Each and every surf event offers a variety of sponsorship opportunities. Top-level *"Mavericks"* level sponsors provide support for the **entire 2019 Series** and are given headliner status as a sponsor and community partner. Additional *"Pipeline"* and *"NSB Inlet"* sponsorship opportunities are available at other donation levels. The attached page summarizes the sponsorship opportunities.

Thank you for considering this message. Please contact any Foundation officer or director with questions and comments or to discuss alternative ways your organization might partner with the Oceans of Hope Foundation.

Sincerely,
Oceans of Hope Foundation
Executive Director
